For Small Group and Personal Study

Warm up

Abraham is Tested

Go around the room and have everyone answer.

1. Did you ever blow an important test in school?
2. What is the biggest “life” test you have ever gone through?

What the Bible Says

3. Read Genesis 22:1-5

How did God describe Isaac?

How did Abraham respond to God’s request?

Who saddled the donkey and cut the wood?

Why would Abraham do it while the servants watched?

4. How far can you walk in three days?
5. Read 22:8. Was this wishful thinking?

6. What do you think Abraham was thinking in 22:9-10?

7. What does the angel say to Abraham in 22:11-12?

8. Read Genesis 22:13-18.

What did Abraham find in the thicket?

What did Abraham name “that place”?

What did the angel say the second time?

9. Abraham named that place “The Lord will provide.” What do you think he would have named the lamb? Read John 1:29.

What the Bible Says to Me

10. Have you ever had to give back something that had been promised to you? Ever felt God took something back?
11. Has God ever stopped you from doing something that you would have regretted later?
12. If God provided one thing for you today, what would you want it to be?
